CONFIDENTIALITY – CRIMINAL OFFENSE ACKNOWLEDGEMENT

I, _____, an employee with the Grant County Detention Center, understand that the office with which I am employed is a law enforcement agency. I understand that my conduct both inside and outside the office reflects upon the office itself. I further understand that due to the nature of my employment, it would reflect negatively upon my office if I were to be charged and convicted of a criminal offense. If I am charged with a criminal offense, I may be suspended without pay, until the resolution of the offense.

I further understand and agree that if I am charged and convicted of a criminal offense, from this date forward, my job will be terminated immediately. I understand this written warning is the only warning I will receive concerning termination, upon conviction.

I further understand that nothing in this Acknowledgement implies any employment contract on the Jailer's part and mine. I further understand I am an at-will employee, and I can be discharged at any time for no reason whatsoever at the discretion of the Jailer.

For the purpose of this agreement, a "criminal offense" is one that has the possibility of carrying jail time. Types of criminal offenses include but are not limited to: DUI offenses, misdemeanor and felony offenses.

Further, as part of my duties, I will be provided with information that is confidential. As such, I understand that everything in the Grant County Detention Center Jailer's Office is confidential. I understand that I am not allowed to discuss any case pending, or other matter that occurs within the office, outside the office. I further understand that if I am found to have violated the confidences of the office, I will be terminated forthwith.
